Division of Water Rights: <http://www.waterrights.ca.gov>

**CERTIFICATE NO.: 5980**

**DATE OF FILING: December 18, 1997**

Under the provisions of Article 2.5, Chapter 1 of Part 2 of Division 2 of the Water Code,

*The Nature Conservancy  
11010 Foothill Road  
Los Molinos, CA 96055*

has filed a claim of water right for stockpond construction prior to January 1, 1969, and has applied to the State Water Resources Control Board (SWRCB) for evidence of such water right.

It appears from evidence provided by the claimant and from such other information as has been obtained by the SWRCB that the stockpond described herein had a capacity of 10 acre-feet or less on January 1, 1975; that the stockpond was constructed prior to January 1, 1969; that the stockpond is used primarily for stockwatering purposes; and that the stockpond was not involved in water rights litigation between private parties prior to January 1, 1974.

Therefore, the SWRCB certifies that the above-named claimant has complied with the statute and has a water right within the meaning of Water Code section 1226.1, to collect and hold in storage 0.9 acre-feet of water for stockwatering, including domestic and recreational use which is incidental to stockwatering use, at the following location:

*On Little Wildcat Creek tributary to Wildcat Creek thence Dye Creek thence  
Sacramento River and the Point of Diversion is located at 274,954 feet north and  
1,999,783 feet east by California Coordinate System, Zone 1 and is within the SW<sup>1</sup>/<sub>4</sub> of SE<sup>1</sup>/<sub>4</sub>  
of Section 20, T26N, R1W, MDB&M in the County of Tehama.*

The Claimant's water right priority of this certificate is December 18, 1997, the date of filing, and is subject to all prior water rights.

**STATE WATER RESOURCES CONTROL BOARD**
